BEST OF GREECE AWARD 2019

Zhaw School of Life Science & Facility Management
Zurich, Switzerland

Once again Elaion receives the BEST OF GREECE 2019 award at the International Olive Oil Competition in Zurich, with its organic extra virgin olive oil of Koroneiki variety, *Fresh Bio!*

This is the third time Elaion receives this award. First was in 2014 and then again in 2016.

The Swiss Olive Oil Panel consists of 35 trained experts and is recognised by the International Olive Council for its sensory evaluations since 2013.

Tests are being performed at the University's fully equipped laboratories and olive oil is classified based on legal requirements (EU/IOC).

*"We are what we repeatedly do.
Excellence is not an act but a habit."
Aristotle*
